

About Quest: Quest Psychological and Counseling Services is a small faith-based practice in Virginia Beach, VA that is ready for another licensed professional (LPC, LCSW, LMFT, LCP) to come join the team in 2020! We have a fun, inviting atmosphere and see a wide range of clients. Our team of psychologists currently conducts psychological evaluations for children, adolescents, and adults and provides therapy to individuals over 18.

Requirements: This position is full-time conducting therapy. Clinical psychologists with experience in comprehensive evaluations may also be able to join the assessment team. Quest is not able to accommodate Residents in Counseling at this time, though Residents in Psychology or post-docs may apply.

A Master's Degree or higher is required. Psychologists must have a Doctorate (Ph.D. or Psy.D). All applicants must at least be eligible for and actively seeking Virginia licensure if not yet licensed. Applicants must show proof of a degree from a CACREP or APA-accredited university.

At least one year of private practice experience is preferred but not required.

How to Apply: If interested, or if you have specific questions, please inquire via email at jobs@questpsych.org. Those interested should also send a recent CV and references. Psychologists/post-docs, please also include a list of assessments you are proficient in administering.

Please visit www.questpsych.org for more information about our practice!
