SETH A. J. RAINWATER, IV, PSY.D.

Psychologist or Counselor for Private Practice, Florence, SC

LifeCare Psychology Group, LLC is the oldest private mental health practice in S.C. We are seeking a psychologist or clinical counselor who will be a good fit for our group. The practice is operated from a team perspective and we are one of the few psychology groups in the nation to be bestowed the APA's Psychological Healthy Workplace award. All clinicians and staff consult with one another, so you will be joining a family.

We serve a broad range of patients of all ages, treating affective disorders, personality disorders, marriages and all aspects of children's problems. We run two groups: one for patients suffering the psychological consequences of medical illness or trauma, and one for PTSD. We are open to you developing your own specialization. Dr. Seth Rainwater is the managing partner and Dr. Avie Rainwater is the founding partner. The balance of the clinical team is composed of four counselors who have been with LifeCare from 6 to 15 years. The current position is opening because one of our counselors is wanting to live in a larger city, and he will be opening LifeCare - Greenville. We operate from 8AM to 7PM Monday through Thursday, so we enjoy a three-day weekend every weekend. We have an excellent support staff who handle all of the day-to-day business issues (with a 95% collection rate) with all notes and reports being done through an EHR.

Remuneration will begin on a salary basis and then shift to percent of collections arrangement. As such, your income will be both *highly* competitive and very much under your control. We receive over 500+ referrals annually, so we anticipate your calendar will be full within 3-4 months.

There are a lot of good clinicians out there, but we want someone who wants to do work in keeping with our mission statement (see mission statement on our website at www.lifecaregroup.org). Submit your CV and email of interest to Dr. Seth Rainwater at DrSAJR4@LifeCareGroup.org, or give either Dr. Seth or Dr. Avie a call at 843.667.4949.
